2026 Confession - Year of Many Firsts

The summary of my life in the year 2026- Gen 1:1

2026 was a great year. 2026 was a year of extraordinary breakthroughs, a year where God's Kingdom advanced in unprecedented ways. It was a Year of Many Firsts, and I witnessed God's Word come alive in ways I never imagined. Every area of my life was marked by divine breakthroughs: finances, career, relationships, and ministry all saw miracles that were once impossible. Doors opened that no man could shut, and my faith grew stronger each day.

Like Joseph, God gave me strategies to bring transformation and wisdom to every space I entered. I became a solution provider, seeing promotions and impact in places I had only dreamed of. Like Esther, I stepped into positions of influence, boldly declaring God's purpose for my life. I was a vessel through which nations were impacted and change was brought to areas once stagnant.

In 2026, my family saw restoration and unity. God turned situations that seemed hopeless into testimonies of His power. I stand firm in my faith, knowing that the grace upon my life extends to my family.

Despite global challenges, I remained unmoved because I was anchored in Christ. No weapon formed against me prospered. I declared that God's Kingdom cannot be shaken, and I stood firm on His Word.

Generational blessings spoken over my life began to manifest, impacting not just me, but my children and their children. My obedience to God will echo through generations.

(Speak to yourself in camera)

2026 was my Year of Many Firsts. I saw God's Kingdom advance in my life, experienced breakthroughs beyond imagination, and declared victory over every challenge. By year's end, the full manifestation of God's Kingdom will be evident in every area of my life. I will remain steadfast, knowing that my life has been forever changed. 2026 was my year of many firsts, and I stand victorious in Christ.
